The Fifth Edition of an Exciting Tournament

The 2026 Real Madrid Foundation Clinics World Challenge is the **fifth edition of this exciting tournament** that will bring teams from around the world to demonstrate football's most prominent methodology and Real Madrid Foundation values.

Players from every corner of the world will take over the exceptional facilities for Real Madrid's first team at Real Madrid Sports City in Madrid, Spain.

Compete for Championship Glory

Participants will be competing against other Real Madrid Foundation teams in the hopes of becoming RMF World Challenge Champions! Age categories will be U10, U12 and U14.

Following the steps of the world's best, players will live a week filled with football and the Real Madrid Foundation values, experiencing what it means to train at one of the most prestigious football facilities in the world.

Tournament History: 2022-2025

2022

1

The inaugural World Challenge brought together teams from across the globe, establishing the foundation for this prestigious tournament.

2

2023

The second edition expanded participation and showcased exceptional young talent competing at Real Madrid's world-class facilities.

2024

3

Growing international recognition as more countries joined the competition, creating unforgettable memories for young athletes.

4

2025

The fourth edition continued to build on success, bringing together the best young players to compete and learn Real Madrid values.

Unforgettable Memories

The World Challenge creates lasting memories for young players, combining competition with the values and traditions of Real Madrid. From training sessions to championship matches, every moment is designed to inspire and develop the next generation of football talent.
